Greetings Friends and Neighbors,

Change is certainly in the air. The flowers and trees are changing colors, elections will have occurred when this gets to your homes, and death of a clergy has once again visited our community. Let us remember the commitment and dedication to racial harmony and unity Rev. Mark Bowling championed while a member of this community. He has finished his assignment and we are better people because his presence in our lives. Our prayers of comfort are extended to his family and the members of Lamar United Methodist Church.

Mr. Lang Howell has submitted his resignation from Council. Mr. Howell was a tremendous asset to the overall operation of our water and sewer system. He gained the respect of the officials at Darlington County Water and Sewer as well as the team as S.C. Dept. of Health and Environmental Control and others. We are grateful for his high level of commitment and service to this community. He will be missed! Elections to fill the seat vacated by Mr. Howell will be held the 3<sup>rd</sup> Tuesday in January, 2021.

Thank you to the many groups and organizations who have provided resources to our community, including Genesis Health Care, CareSouth Carolina, Darlington County First Steps among others. We value and appreciate all efforts to support our citizens.

Peace for the journey,

Darnell

The Lamar Neighborhood Watch celebrated our kickoff on October 1st, 2020 at 6:00PM and would like for as many citizens as possible to join us in making a new change in safeguarding our community and town. We continued to practice social distancing in the parking lot of Lamar UMC. Thanks for coming out and working with us to make our town safe!

The Town of Lamar would like to welcome OFC. Jamil Hall to the Lamar Police Department!

### A Word from Public Works

Delinquent in your utility bills? Contact DCCAA at 843-917-8249 for assistance.

A new policy is in effect immediately: If your water is disconnected for non-payment, all trash receptacles will be removed from your premises until past due bills are brought current.

The Town of Lamar and Darlington Trash Disposal sites DO NOT HAVE THE CAPACITY TO RECYCLE. There is no need to sort your trash and use the blue bins. We do ask you to please crush and reduce all boxes to a manageable size. Please make sure all bags are tied. If the bags are too heavy, the bags will tear. Please dispose of your trash twice per week!

Thank you to all customers who pay their bills in a timely manner. Remember, you can pay on-line or use the drop box at Town Hall.

We welcome both Mr. Baker and Mr. McKenzie to the Public Works Team!  
We thank our longtime volunteers Mr. Logan and Mr. Pickard.
